

Tell us what's on your mind!

Martindale-Brightwood Weed & Seed invites you to take part in a focus group to discuss your thoughts and perceptions about crime, safety, neighborhood restoration, and the availability of services in your community.

The focus group will meet for approximately 1.5 to 2 hours. Light refreshments will be served. You will also receive a \$20.00 gift card from a local store for your participation in the focus group.
